## School-wide Grading Policy for 3<sup>rd</sup>-6<sup>th</sup> Grade

Starting with the second semester of 3<sup>rd</sup> grade and continuing through the 6<sup>th</sup> grade, students will be graded in the following categories:

<u>Categories</u>	<u>Weight</u>
Tests	40%
Quizzes	30%
Daily Work	30%

Each category will have a set weight. Tests will account for 40% of a child's grade, while quizzes and daily work will each account for 30%.

Homework and class work grades are to be recorded based on correctness rather than mere completion of an assignment. While incomplete assignments can affect a student's qualification in rewards, they are not to be detrimental in the calculation of the student's conduct grade.
