PARENTAL INVOLVEMENT POLICY

(Legally Required for Title 1 Schools and Best Practice for Others)

DEFINITION OF PARENT

The legal definition of a “parent” is a parent, stepparent, or foster parent of a student or a person who has legal custody of a student pursuant to a court order and with whom the student resides.

For the purposes of this policy we will use the term “parent” to encompass all diverse family situations.

COMMITMENTS

We commit to:

- Sharing clear information about each student’s progress with parents.
- Offering practical suggestions to parents on how they can support student learning at home.
- Making representative parents and community members full partners in our decision-making.
- Facilitating the involvement of our parents with limited English proficiency, parents with disabilities, and parents of migratory children.
- Seeking and supporting adult volunteers to work with and inspire our students, as well as making every effort when legally appropriate to accommodate the involvement of adults other than parents who are already involved in a student’s life.

We will honor these commitments through a School Learning Agreement. During an annual meeting with parents, we will review the compact with parents, ask for input and then revise, if necessary, the compact.

School Learning Agreement

Our students’ parents, families, extended families, students themselves, as well as our local community are all considered partners who share responsibilities for high student academic achievement. Following are the responsibilities for the school, the parents, and

the students:

SCHOOL RESPONSIBILITIES

Wayland Alexander will:

- Provide high-quality curriculum and instruction in an effective, supportive, and safe learning environment that enables the students to meet Kentucky's academic standards.
- Provide information on the content students will learn each year through the methods listed in our Curriculum Policy.
- Assign homework in accordance with our Homework Policy.
- Provide parents with frequent reports on their child's progress.
- Hold parent-teacher conferences during which this School Learning Agreement will be discussed as it relates to the individual student's achievement. Opportunities (where appropriate) will be provided for the student to participate actively in sharing information on his or her progress with his or her parents during these conferences.
- Provide parents reasonable access to staff. The email addresses and telephone extensions of their child's teachers will be provided to parents to promote communication. Staff will always be available to parents by appointment for face-to-face conferences.
- Send home newsletters at least four times a year that include information on ways families can help students learn. The first newsletter will contain a copy of this policy.
- Support an active Parent Teacher Organization.
- Provide parents with opportunities to:
 - Volunteer in school related activities
 - Serve on one of our decision-making committees.
 - Join our parent teacher organization and participating in its efforts to strengthen our school.
 - Run for site base parent representative
- Ensure that all adult volunteers working in our school and with our students are subject to board policy and state law regarding criminal record checks, as applicable.

The Family Resource/Youth Service Center will share responsibility for student achievement by:

- Surveying families at least once a year to learn what services and activities would most help them support their children as learners.
- Offering a well-planned, well-publicized menu of activities and programs to meet those needs.

PARENT RESPONSIBILITIES

Parents are asked to:

- Monitor attendance and tardies
- Become familiar with and support the school and individual classrooms' homework policies and show interest with questions about and comments on the schoolwork their children bring home.
- Make sure homework is completed.
- Assist their child with time management.
- Participate, as appropriate, in decisions relating to their child's education.

- Stay in close communication with teachers and the school about their child's education by promptly reading all notices and surveys from the school or the school district and responding if necessary.
- To the extent possible, volunteer, serve on the school council, or a committee, attend School-Based Decision Making Council meetings, and comment on draft policies and plans as they are made available.

STUDENT RESPONSIBILITIES

With support from parents, students are asked to:

- Attend school regularly.
- Follow the school and classroom behavior standards.
- Bring necessary learning materials to school and to class.
- Complete and turn in all assigned homework.
- Give parents or the adult who is responsible for them, all notices and information received from the school.

POLICY EVALUATION

We will evaluate the effectiveness of this policy through our School Improvement Planning Process.
