## School Space Use Policy

The principal shall assign space use in a manner that will:

1. Take each student's developmental needs into account
2. Implement our School Improvement Plan.
3. Maximize staff opportunities for sharing resources, mentoring and collaborating with teachers and students of similar grade levels, subject areas, or collaborative groups.

To assign classroom space, the principal shall:

1. In March, invite all returning staff members to indicate their preference for continuing or changing classroom space assignments for the next year.
2. In April, meet with any staff members whose requests may be difficult to grant to discuss possible alternatives.
3. In May, assign classroom space based on criteria above.
4. In June, notify the Council of how classroom space has been assigned.
