“There is no limit to what a man can do or where he can go if he doesn’t mind who gets the credit.”

~First Inaugural Address, 1-21-81 Ronald Reagan
We congratulate the students pictured above for their outstanding work at OCHS! They were nominated by teachers and staff because of great work and good attitudes. They received T-shirts and Subway gift cards compliments of the OCHS Youth Services Center. Names of these students are not listed because of internet safety regulations.
SFC. (Ret) James Warnock

I graduated from Princess Anne High School in 1985, and joined the Army as an Air Defense Artillery crewmember. In 1991 I served with the 8th Infantry Division and deployed for Operation Desert Shield and Desert Storm, and in 1992 I was reassigned to the United States Army Recruiting Command. Prior to my retirement from active duty, I completed my education at West Virginia University, receiving my Bachelor of Arts degree with a concentration in communication studies.

During my 21 years in the Army I was stationed throughout the United States, Europe, and Southwest Asia.

I retired from the Army in 2005, and began my teaching career at Northern Garrett High School in western Maryland. In 2010, the opportunity to come to Kentucky presented itself with the establishment of the Army JROTC course offered here at Ohio County High School. I was blessed to be selected to come to this great school and continue my teaching career. I love working with young people, and I love working with an incredibly talented Administration and staff. Our students here are talented, generous, and all around awesome.

When I'm not at work I enjoy spending time with my beautiful wife Elizabeth, and my totally cute and energetic little girl, Katelynn. In my free time, I enjoy shooting, fishing, weight lifting, and watching sports. We currently live in Owensboro, with our two Chocolate Labs, Missy and Patton.

On Monday, March 17, the library media center will be open for 3 extra hours after school. Anyone who wishes can stay and practice ACT activities online, do research, type papers, or complete any missing assignments you might have. This is an excellent opportunity to raise your grade before the nine weeks ends on Friday, March 21.
Students should turn in their volunteer hours to Ms. Bevil before Spring Break. Volunteer hours will be tabulated and the students with the highest number of volunteer hours for each grade level will be recognized at the awards ceremony.
The end of the third nine weeks is 3-21-14.

Congratulations Mr. Miller and DECA Members!
Mrs. Hansen’s parenting class students have the opportunity to learn firsthand the demands of caring for infants by taking care of computerized infant simulators 24 hours per day from Friday afternoon to Thursday morning. A small computer inside the RealCare “baby” is programmed to follow actual schedules of 15 different newborns. Each day the “baby” is on a different schedule. Incidences of neglect, head support failure, shaking, rough handling, wrong position, no diaper, and other functions are recorded by “baby’s” computer and lower students’ grades.

Students in this class also have the opportunity to wear “The Empathy Belly”. This is a multi-component, weighted garment that enables males and females to temporarily experience, through accurate simulation, more than 20 of the typical symptoms and effects of pregnancy.
